For Items With Scheduled Delivery:

Returns - Return policies vary between products. If you're still within your product's return timeframe, call 1-888-BESTBUY and a Customer Care representative will arrange a time to pick up the product. Please DO NOT return the product to a Best Buy store yourself.

Restocking Fees - While you are not charged for the pickup of the item you wish to return, you will be charged a restocking fee for all returned items. The restocking fee is equal to 25% of the item's purchase price. You will be refunded your total amount less restocking and shipping fees incurred. Restocking fees do not apply if item is damaged or defective upon receipt.

For Items That Are Shipped To Your Home:
